

DIGITAL TEACHING READY... GO!

ONLINE REGISTER

All communication with the school must pass through the online register Nuvola, which is the official channel for communications. So from Nuvola pass notices, convocations for interviews, digital Teaching Timetable, personal communications to teachers

CLASSROOM

Everything related to teaching will be on Classroom: sending homework, exchanges of information with children, homework assignments and return of students' papers.

To access the online lessons there will no be email invitations, but children will have to access by clicking.
● on the classroom link.
